Get the music you love!

**V CAST Music with Rhapsody**

With millions of songs to choose from, V CAST Music with Rhapsody is the best way to bring your music with you. Here are three ways to get the music you love:

- **Instant downloads**: Download songs over the air straight to your phone when you've just got to have them.

- **A better music PC store**: Browse, preview and download songs via the V CAST Music with Rhapsody store from your PC and transfer them to your phone.

- **Your music collection on your phone**: Download the free V CAST Music with Rhapsody software and transfer your personal tracks and albums to your new phone, while managing your PC music library – all in one place.

**Ringtones**

Listen to your favorite song each time someone calls you. The Verizon Wireless Media Store has thousands of songs and sounds to choose from. Buy them on your phone or on your computer for $2.99 per tone. Discounts available when purchased as a Ringtone/Ringback Tone bundle.

**Ringback Tones**

Why should you have all the fun? Entertain your callers, too, with Ringback Tones – songs or sounds they’ll hear while waiting for you to answer. There are more than 50,000 to choose from. Pricing is 99¢ per month and $1.99 one-time charge per tone (12-month license). You can even create multiple jukeboxes for random song playback.

This map reflects a depiction of predicted and approximate wireless coverage. The coverage areas shown do not guarantee service availability and may include locations with limited or no coverage. Even within a coverage area, there are many factors, including network capacity, your device, terrain, proximity to buildings, foliage and weather, that may impact availability and quality of service. An all-digital device will not operate or be able to make 911 calls when digital service is not available. See verizonwireless.com/coveragelocator for additional coverage.
