SAMSUNG GALAXY TAB 4 8.0

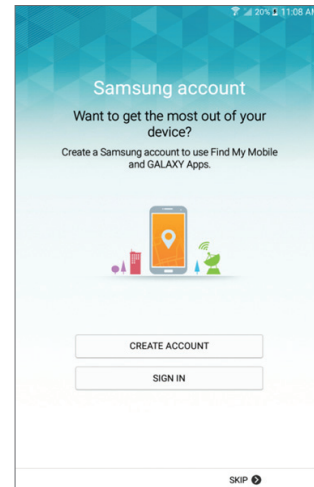

Galaxy Apps Auto Install

- The app store features hundreds of exclusive apps that allow users to easily customize their devices as well as offer exclusive access to Galaxy app promotions and discounts.

Reactivation Lock

- Reactivation lock lets you use your Samsung account to prevent others from activating your device if it's ever lost or stolen. With Reactivation lock turned on, you will be required to enter your Samsung account credentials prior to starting a factory reset of the device.

Material Design

- Android Lollipop brings the all-new material design, offering fluid animations, vivid colored-themes, and 3-D views for a more visually pleasurable experience.
