

Software update for your LG G4

Software Version: VS98611A

Verizon Wireless is pleased to announce a software update designed to improve the performance of your LG G4 phone.

LG G4

The following enhancements have been made:

- Enhanced Folio display during a call
- Display Contact and non-Contacts numbers consistently in the dialer app
- Enhanced Advanced Calling feature

For step-by-step instructions on how to perform the download, please visit www.verizonwireless.com/lgg4support
