1. **ACCOUNT DETAILS**
   Your customer information, such as account number and the bill’s due date. You can easily manage your bill online with My Verizon—just visit vzw.com/myverizon.

2. **QUICK BILL SUMMARY**
   A convenient summary of all your lines, including:
   - **Monthly Charges** represent the account and individual charges for that month, including any discounts.
   - **Usage and Purchase Charges** include any overages or purchases.
   - **Equipment Charges** capture any Device Payment Agreement charges, plus any other equipment.

3. **PAYMENTS**
   All your current payments, as well as outstanding balance.

4. **ACCOUNT CHARGES AND CREDITS**
   Your plan charges and any other overages for all account services. A “partial-month” amount may also be included.

5. **BREAKDOWN OF CHARGES**
   Summary of current charges for the account and each line.

6. **BREAKDOWN OF SHARED USAGE**
   Summary of usage by line, including minutes, text messages and shared data.
6 MONTHLY CHARGES

Your Monthly Charges are billed one month in advance.

Partial-Month Charge:
If you activated your plan or your plan changed between billing cycles, this area will also include a one-time prorated charge.

7 EQUIPMENT CHARGES

If you made any Equipment Purchases and billed them to your account, those charges will appear in this section.

Device Payment Agreement Charges:
The Equipment Charges section contains your Device Payment Agreement-related charges such as:
- The monthly payment charge
- Device Payment Agreement number
- Any remaining balance

8 USAGE AND PURCHASE CHARGES

Detailed overview of each line’s usage and any purchases.

This section includes charges for purchases from other vendors, including an item description, all applicable charges, and Verizon customer service contact information. To block the ability to place third-party charges from other vendors on your account, please visit vzw.com/serviceblocks.

9 ACTIVATION

One-time charge when service is activated.
