ASUS ZenPad Z8

About your tablet

Not all features, apps or services may be available with your plan, device, operating system and software version.

Please contact your wireless service provider for more information.

NOTE: Devices and software are constantly evolving – the screen images and icons you see here are for reference only.

Setting up your tablet

Your tablet already has a SIM card installed.

Optional: Insert the microSD card

1. With the tablet facing up, open the SIM/microSD card slot cover.
2. Insert the microSD card into the slot (as shown) with the gold contacts facing down.
3. Close the card slot cover.

NOTE: The microSD card is sold separately.

Charge your tablet

Before turning on your tablet, charge it fully.

1. Connect the micro USB cable to the AC power adapter.
2. Plug the AC power adapter into an electrical outlet.
3. Connect the micro USB cable to your tablet.

WARNING: Only use approved chargers with your device. Incompatible chargers or tampering with the charger port could damage your device and void the warranty.

First Edition / April 2016

Using your tablet

Turning your tablet on/off

To turn your tablet on, press and hold the **Power** button.

To turn your tablet off, press and hold the **Power** button. Then tap **Power off > OK**.

Locking/unlocking the screen

To turn on your screen, press the **Power** button. Then swipe upwards on the screen to unlock it.

To turn off your screen and prevent accidental key presses, press the **Power** button.

Activating your tablet

To activate your tablet to use the internet on Verizon's 4G LTE network, just turn on your tablet and follow the onscreen instructions.

NOTE: Subject to specific terms of use. For coverage details, visit VerizonWireless.com/CoverageLocator.
