Setting up your phone

Your phone already has a SIM card installed.

Optional: Insert the microSD card.

1. With the phone facing down, insert the tool that comes with your phone into the small hole on the card tray and pop out the tray.

2. Insert the microSD card with the gold contacts facing up.

microSD card
SIM card

NOTE: The microSD card is sold separately.

3. Carefully insert the tray back in the phone and make sure it closes securely.

Charge your phone
Before turning on your phone, charge it fully.

Insert the small end of the USB-C cable into the USB-C/charger port. Insert the other end into the power adapter, and plug the power adapter into an electrical outlet.

Headset/USB-C/Charger port

WARNING! Only use approved chargers with your device. Incompatible chargers or tampering with the charger port could damage your device and void the warranty.
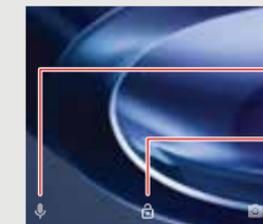

Using your phone

Turning your phone on/off
To turn your phone on, press and hold the **Power/Lock** button on the phone until the screen turns on.

To turn your phone off, press and hold the **Power/Lock** button and then tap **Power off**.

Locking/unlocking the screen
To turn on your screen, press the **Power/Lock** button. Then drag the lock icon 🔒 up to unlock it.

Touch and hold, then swipe right for voice assist.
Drag up to unlock your screen.
Touch and hold, then swipe left to open the camera.

To turn off your screen and prevent accidental key presses, press the **Power/Lock** button. Your phone will also lock automatically if you don't use it for a while.

Home screen

Swipe down with one finger for notifications, or with two fingers for settings.
Search by typing, or tap 🎤 for a voice search.
Touch and hold an empty spot for options.
Tap Apps ⬡ to see all your apps.

Using the USB Headset Adaptor
Your phone comes with a USB headset adapter. To connect your headphones, plug them into the adapter. Then plug the adapter into the USB-C port on your phone.

Using your phone (cont.)

Moto Mods™

Transform your phone into a movie projector, a boombox, a battery powerhouse, and more. Swap out Moto Mods throughout the day to get the performance you need when you want it, and add new Moto Mods to your collection at any time.

NOTE: Enjoy the Moto Style Shell included with your phone. Moto Mods are sold separately. Learn more about Moto Mods at **VerizonWireless.com** or **MotoMods.com**

CAUTION: Remove the Moto Style Shell or other Moto Mod before adding a case that covers the back of the phone.

Advanced Calling

You can make high-definition voice and video calls, and surf the web while you talk on the phone, when you add Advanced Calling to your line. To learn how, visit **VerizonWireless.com/AdvancedCalling**

Additional information

Your wireless device and third party services
Verizon Wireless is the mobile carrier associated with this wireless device, but many services and features offered through this wireless device are provided by or in conjunction with third parties. Verizon Wireless is not responsible for your use of this wireless device or any non-Verizon Wireless applications, services and products, including any personal information you choose to use, submit or share with others. Specific third-party terms and conditions, terms of use and privacy policies apply. Please review carefully all applicable terms, conditions and policies prior to using this wireless device and any associated application, product or service.

Hearing aid compatibility information
This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer technologies that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Ask your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, ask your service provider or phone retailer.

FCC and IC Compliance
This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Electronic Label
Your mobile device may use an electronic label that provides some regulatory information about the device. To see the electronic label, tap **Apps** > **Settings** > **About phone** > **Regulatory information**.

Battery Safety
Before assembling, charging or using your mobile device for the first time, please read the important product safety and legal information provided with your product.

If your mobile device becomes unresponsive, try a reboot – press and hold the Power button until the screen goes dark and your device restarts.

For your safety, the battery in your mobile device should only be removed by a Motorola approved service center or independent qualified professional. Don't try to remove or replace the battery yourself – doing so may damage the battery and could cause burning and injury. Don't crush, bend, or expose your mobile device to heat or liquid. This may damage the battery and may cause burning and injury.

Caution about High Volume Usage
WARNING!To prevent possible hearing damage, do not listen at high volume levels for long periods.

Disposal & Recycling
Help do your part! Please don't dispose of mobile devices or electrical accessories (such as chargers, headsets, or batteries) with your household waste. Product packaging and product guides should only be disposed of in accordance with national collection and recycling requirements. For details on approved national recycling schemes and Motorola recycling activities, go to: **Motorola.com/Recycling**

Usage
This phone supports apps and services that may use a lot of data, so make sure your data plan meets your needs. Contact your service provider for details. Certain apps and features may not be available in all countries.

Regulatory Information
To view the Regulatory ID (such as FCC ID) for this device, on the phone, go to **Settings** > **Legal information** > **Regulatory ID/Markings**, or visit **Motorola.com/Device-Legal**

Warranty
This product is covered by Motorola's limited warranty. To review the warranty on your phone, go to **Settings** > **Legal information** > **Warranty**, or visit **Motorola.com/Device-Legal**
You may also obtain a copy of the warranty by contacting Motorola at: Motorola Mobility LLC, Attention Customer Service--Warranty Request, 222 West Merchandise Mart Plaza, Suite 1800, Chicago, IL 60654.

Arbitration & opt-out
Any controversy or claim arising out of or relating to any Motorola product will be resolved by binding arbitration, instead of in court, unless you opt-out. To opt-out, send a written rejection notice within 30 days of purchase that includes your name, address, phone number, device, and device serial number, and tells Motorola that you are rejecting this Arbitration provision to: Motorola Mobility LLC, 222 West Merchandise Mart Plaza, Suite 1800, Attn: Arbitration Provision Opt-Out, Chicago, IL 60654 or arbitrat@motorola.com. For more information on this arbitration provision, on your phone, go to **Settings** > **Legal information** > **Arbitration and Opt-out**, or visit **Motorola.com/Device-Legal**
