**Getting To Know Your Phone**

**About Your Phone**

**Setting Up Your Phone**

Your phone comes with the SIM card pre-installed.

**Charge the Phone**

Before turning on your phone, charge it fully.

Your phone comes with an Adaptive Fast Charging charger and a USB cable. Plug the smaller end of the cable into the USB/Charger port on your phone and the other end into the charger. Then plug the charger into an electrical outlet to charge the phone.

**WARNING!** Please use only an approved charging accessory to charge your phone. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your device and void the warranty.

NOTE: For fastest charging times, use the Adaptive Fast Charging charger that came with your phone. This charger provides faster charging only when connected to devices that have Adaptive Fast Charging.

**Turning Your Phone On / Off**

To turn your phone on, press and hold the Power/Lock button.

To turn your phone off, press and hold the Power/Lock button and follow the instructions.

**Locking / Unlocking the Screen**

To turn on your screen, press the Power/Lock button. Then swipe your finger across the screen to unlock it.

To turn off your screen and prevent accidental key presses, press the Power/Lock button.

**Using Your Phone**

**Turning Your Phone On / Off**

To turn your phone on, press and hold the Power/Lock button.

To turn your phone off, press and hold the Power/Lock button and follow the instructions.

**Locking / Unlocking the Screen**

To turn on your screen, press the Power/Lock button. Then swipe your finger across the screen to unlock it.

To turn off your screen and prevent accidental key presses, press the Power/Lock button.

**Home Screen Mode**

You can select one of the two modes: Easy and Standard. Instructions in this guide are written based on Standard mode.

Standard mode—Standard experience for users who are familiar with Android

Easy mode—Simplified and easier experience for the first time smartphone user

1. From the Home screen, tap Apps → Settings → Easy mode.

2. Choose the mode you want to use and tap Done.

Additional Information
Your Wireless Device and Third-Party Services:
Verizon Wireless is the mobile carrier associated with this wireless device. Many services and features offered through this wireless device are provided by or in conjunction with third parties. Verizon Wireless is not responsible for your use of third-party applications, services and products, including any personal information you choose to use, submit or share with others. Specific third party terms and conditions, terms of use and privacy policies shall apply. Please review carefully all applicable terms and conditions and policies prior to using this wireless device and any associated application, product or service.

Hearing Aid Compatibility Information
This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.
